Overwhelming Community Support brings the 3rd annual Field of Honor Flag Display back to Cohasset again this year.

Cohasset – The Healing Field® of Honor in Cohasset has become a legacy and a tradition for the citizens of Cohasset and the surrounding area. The third annual Memorial Day event honoring local veterans is scheduled for **May 17th – 30th**. The temporary memorial event is free to the public and will be located at the Sons of the American Legion headquarters at **Traffic Island and 98 Summer Street.**

Organizers at the national headquarters for the Colonial Flag Foundation, Healing Field of Honor programs were pleased when Thomas Wigmore, Commander of **local Squadron 118 of the Sons of the American Legion (SAL),** requested approval to re-license again for a 2009 Healing Field of Honor. Wigmore's goal was to make this an annual event when he first registered in 2007 and it seems he has done just that. The community support and response has been so great that each year the field and the event grow to meet the response from sponsors and supporters.

Flags may be sponsored for $25 each and taken home at the end of the event to continue the tribute throughout the community as they fly proudly at homes and businesses. Donations and flag sponsorships can be made in person at the SAL headquarters, online at www.healingfield.org/cohasset or at the time of the event. Flags can be dedicated in honor or memory of a loved one. All proceeds will benefit the veterans programs of service provided by the SAL of Cohasset and to further this event each year.
